

CP AIRNET	CONVENTIONAL PIPES
Aluminum extruded pipe	Mild steel / Galvanized Iron pipe
Smooth surface	Rough surface
Friction factor less	Friction factor is almost double
Negligible initial pressure drop	High initial pressure drop
Tubes & fittings are corrosion free	May corrode very rapidly
Modifying the network is easy	Modifying the network is difficult
Pre-powder coated blue colored tubes	Pipe need to be painted
AIRNET 10 year Guarantee	No guarantee for pipes & fittings

AIR NET PIPE COMPLIANCY : EN13480 / DIRECTIVE 97/23/EC AND ASME B 31.1

Complies with international pressure related approvals

PED - CE -ASME - MOL - UDT - SQL -CRN - DIR -MOM - ASME.
